

THE DAILY DEPOT

JESUS

DAY 1

"I am the way and the truth and the life." John 14:6

All Aboard!

Welcome aboard The Truth Train - where we find that God's Word is 100% true. This week at VBS students will learn to stay on the right track with Jesus as we travel from station to station.

God wants everyone to know the truth of His Word. So come aboard and learn more about the foundation of our faith - God's own Word - written just for us!

Today's Bible Bop

"God saw everything that he had made and behold, it was very good." Genesis 1:31a (ESV)

Evolution Myth Busters

Myth #1: It all started with a Big Bang. Some believe our world was the result of a massive explosion billions of years ago.
Busted: Since when do explosions ever increase order? That would be like blowing up 1000 sticks of dynamite and expecting a public library to appear as a result! It's not going to happen. Our world was created by God's intelligent design.

"In the Beginning..."

As we studied the Creation account in Genesis we learned that God created the world and everything in it in just six 24-hour days. Man sometimes has a hard time understanding this, but it was easy for God. He can do anything!

God's Word also reveals that man was created in the very image of God. He delights in us because He made us a special part of His creation!

God made us. God loves us. God takes care of us.

Creation Station Fact

Did you know that the rib is the only human bone that can grow back? No wonder God used one of Adam's ribs to create Eve. He knew it wouldn't be missing for long!

Engine Fuel

Power up with God's Word every day and be like a mighty engine for Christ!
